Tuesday, February 14th @ 2pm

Help us celebrate Black History Month!

Heather Rennalls, our presenter, moved to Woodstock 30 years ago to pursue Social Work. She was both surprised and pleased to learn that Oxford County has a rich Black history. By combining her two passions, research and writing, Heather has written numerous articles for local papers and magazines.

Come learn about how Oxford County was part of the Underground Railroad and the other rich history we have all around us.
